

- c. **Open Space Act:** This Act enables counties to enter into covenants with owners of land designated as farm, forest, water supply, or open space land on an adopted municipal, county or regional plan for the purpose of preserving the land as open space. A covenant between the owner and county is binding upon any Buyer of the Property during the period of time that the covenant is in effect (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures are followed. Buyer has been advised of the need to determine the restrictions that will apply from the sale of the Property to Buyer and the property tax implications that will or may result from a change in use of the Property, or any portion of it. Buyer is further advised to determine the term of any covenant now in effect.
- d. **Conservation Reserve (Enhancement) Program:** Properties enrolled in the Conservation Reserve Program or CREP are environmentally-sensitive areas, the owners of which receive compensation in exchange for an agreement to maintain the land in its natural state. Contracts last from 10 to 15 years and carry penalties to Seller if terminated early by Buyer. Buyer has been advised of the need to determine the restrictions on development of the Property and the term of any contract now in effect. Seller is advised to determine the financial implications that will or may result from the sale of the Property.

**(E) Real Estate Seller Disclosure Law**

Generally, the Real Estate Seller Disclosure Law requires that before an agreement of sale is signed, the seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where **NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS** are involved. Disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

**(F) Public and/or Private Assessments**

1. Seller represents that, as of the date Seller signed this Agreement, no public improvement, condominium or homeowner association assessments have been made against the Property which remain unpaid, and that no notice by any government or public authority (excluding assessed value) has been served upon Seller or anyone on Seller's behalf, including notices relating to violations of zoning, housing, building, safety or fire ordinances that remain uncorrected, and that Seller knows of no condition that would constitute a violation of any such ordinances that remain uncorrected, unless otherwise specified here: \_\_\_\_\_
2. Seller knows of no other potential notices (including violations) and/or assessments except as follows: \_\_\_\_\_

2. Seller knows of no other potential notices (including violations) and/or assessments except as follows:

**(G) Highway Occupancy Permit**

Access to a public road may require issuance of a highway occupancy permit from the Department of Transportation.

## (H) Internet of Things (IoT) Devices

1. The presence of smart and green home devices that are capable of connecting to the Internet, directly or indirectly, and the data stored on those various devices make up a digital ecosystem in the Property sometimes referred to as the "Internet of Things (IoT)." Buyer and Seller acknowledge that IoT devices may transmit data to third parties outside of the control of their owner.
2. On or before settlement, Seller will make a reasonable effort to clear all data stored on all IoT devices located on the Property and included in the sale. Seller further acknowledges that all personal devices owned by Seller (including but not limited to cellular telephones, personal computers and tablets) having connectivity to any IoT device(s) located on the Property will be disconnected and cleared of relevant data prior to settlement. Further, no attempts will be made after settlement by Seller or anyone on Seller's behalf to access any IoT devices remaining on the Property.
3. Following settlement, Buyer will make a reasonable effort to clear all stored data from any IoT device(s) remaining on the Property and to restrict access to said devices by Seller, Seller's agents or any third party to whom Seller may have previously provided access. This includes, but is not limited to, restoring IoT devices to original settings, changing passwords or codes, updating network settings and submitting change of ownership and contact information to device manufacturers and service providers.
4. This paragraph will survive settlement.

## 11. WAIVER OF CONTINGENCIES (9-05)

If this Agreement is contingent on Buyer's right to inspect and/or repair the Property, or to verify insurability, environmental conditions, boundaries, certifications, zoning classification or use, or any other information regarding the Property, Buyer's failure to exercise any of Buyer's options within the times set forth in this Agreement is a **WAIVER** of that contingency and Buyer accepts the Property and agrees to the **RELEASE** in Paragraph 28 of this Agreement.

## 12. BUYER'S DUE DILIGENCE/INSPECTIONS (10-18)

#### (A) Rights and Responsibilities

1. Seller will provide access to insurers' representatives and, as may be required by this Agreement or by mortgage lender(s), to surveyors, municipal officials, appraisers and inspectors; in addition, unless otherwise agreed, only Parties and their real estate licensee(s) may attend any inspections.
2. Buyer may make two pre-settlement walk-through inspections of the Property for the limited purpose of determining that the condition of the Property is as required by this Agreement and any addenda. Buyer's right to these inspections is not waived by any other provision of this Agreement.
3. **Seller will have heating and all utilities (including fuel(s)) on for all inspections/appraisals.**
4. All inspectors, including home inspectors, are authorized by Buyer to provide a copy of any inspection Report to Broker for Buyer.
5. Seller has the right, upon request, to receive a free copy of any inspection Report from the party for whom it was prepared. Unless otherwise stated, Seller does not have the right to receive a copy of any lender's appraisal report.

Buyer may obtain a radon test of the Property from a certified inspector. The U.S. Environmental Protection Agency (EPA) advises corrective action if the average annual exposure to radon is equal to or higher than 0.02 working levels or 4 picoCuries/liter (4pCi/L). Radon is a natural, radioactive gas that is produced in the ground by the normal decay of uranium and radium. Studies indicate that extended exposure to high levels of radon gas can increase the risk of lung cancer. Radon can find its way into any air-space and can permeate a structure. If a house has a radon problem, it usually can be cured by increased ventilation and/or by preventing radon entry. Any person who tests, mitigates or safeguards a building for radon in Pennsylvania must be certified by the Department of Environmental Protection. Information about radon and about certified testing or mitigation firms is available through Department of Environmental Protection, Bureau of Radiation Protection, 13th Floor, Rachel Carson State Office Building, P.O. Buyer may engage the services of a surveyor, title abstractor, or other qualified professional to assess the legal description, certainty and location of boundaries and/or quantum of land. Most sellers have not had the Property surveyed as it is not a requirement of property transfer in Pennsylvania. Any fences, hedges, walls and other natural or constructed barriers may or may not represent the true boundary lines of the Property. Before Buyer is obligated to purchase a residential dwelling built prior to 1978, Buyer has the option to conduct a risk assessment and/or inspection of the Property for the presence of lead-based paint and/or lead-based paint hazards. Regardless of whether this inspection is elected or waived, the Residential Lead-Based Paint Hazard Reduction Act requires a seller of property built prior to 1978 to provide the Buyer with an EPA-approved lead hazards information pamphlet titled "Protect Your Family from Lead in Your Home," along with a separate form, attached to this Agreement, disclosing Seller's knowledge of lead-based paint hazards and any lead-based paint records regarding the Property.

**(D) Notices Regarding Property & Environmental Inspections**

- Exterior Building Materials:** Poor or improper installation of exterior building materials may result in moisture penetrating the surface of a structure where it may cause mold and damage to the building's frame.
- Asbestos:** Asbestos is linked with several adverse health effects, including various forms of cancer.
- Environmental Hazards:** The U.S. Environmental Protection Agency has a list of hazardous substances, the use and disposal of which are restricted by law. Generally, if hazardous substances are found on a property, it is the property owner's responsibility to dispose of them properly.
- Wetlands:** Wetlands are protected by the federal and state governments. Buyer may wish to hire an environmental engineer to investigate whether the Property is located in a wetlands area to determine if permits for plans to build, improve or develop the property would be affected or denied because of its location in a wetlands area.
- Mold, Fungi and Indoor Air Quality:** Indoor mold contamination and the inhalation of bioaerosols (bacteria, mold spores, pollen and viruses) have been associated with allergic responses.
- Additional Information:** Inquiries or requests for more information about asbestos and other hazardous substances can be directed to the U.S. Environmental Protection Agency, Ariel Rios Building, 1200 Pennsylvania Ave., N.W., Washington, D.C. 20460, (202) 272-0167, and/or the Department of Health, Commonwealth of Pennsylvania, Division of Environmental Health, Harrisburg, PA 17120. (B) **Within the stated Contingency Period** and as the result of any Inspection elected in Paragraph 12(C), except as stated in Paragraph 13(C):

- If the results of the inspections elected in Paragraph 12(C) are satisfactory to Buyer, Buyer WILL present all Report(s) in their entirety to Seller, accept the Property with the information stated in the Report(s) and agree to the RELEASE in Paragraph 28 of this Agreement, OR
- If the results of any inspection elected in Paragraph 12(C) are unsatisfactory to Buyer, Buyer WILL present all Report(s) in their entirety to Seller and terminate this Agreement by written notice to Seller, with all deposit monies returned to Buyer according to the terms of Paragraph 26 of this Agreement, OR
- If the results of any inspection elected in Paragraph 12(C) are unsatisfactory to Buyer, Buyer WILL present all Report(s) in their entirety to Seller with a Written Corrective Proposal ("Proposal") listing corrections and/or credits desired by Buyer.

The Proposal may, but is not required to, include the name(s) of a properly licensed or qualified professional(s) to perform the corrections requested in the Proposal, provisions for payment, including retests, and a projected date for completion of the corrections. Buyer agrees that Seller will not be held liable for corrections that do not comply with mortgage lender or governmental requirements if performed in a workmanlike manner according to the terms of Buyer's Proposal.

a. Following the end of the Contingency Period, Buyer and Seller will have \_\_\_\_\_ days (5 if not specified) for a Negotiation Period. During the Negotiation Period:

- (1) Seller will acknowledge in writing Seller's agreement to satisfy all the terms of Buyer's Proposal OR
- (2) Buyer and Seller will negotiate another mutually acceptable written agreement, providing for any repairs or improvements to the Property and/or any credit to Buyer at settlement, as acceptable to the mortgage lender, if any.

b. If no mutually acceptable written agreement is reached, or if Seller fails to respond during the Negotiation Period, within \_\_\_\_\_ days (2 if not specified) **following the end of the Negotiation Period**, Buyer will:

(C) If a Report reveals the need to expand or replace the existing individual on-lot sewage disposal system, Seller may, within \_\_\_\_\_ days (25 if not specified) of receiving the Report, submit a Proposal to Buyer. The Proposal will include, but not be limited to, the name of the company to perform the expansion or replacement; provisions for payment, including retests; and a projected completion date for corrective measures. If Seller denies Buyer permission and/or access to correct the defects, Buyer may, within 5 DAYS of Seller's denial, terminate this Agreement by written notice to Seller, with all deposit monies returned to Buyer according to the terms of Paragraph 26 of this Agreement.

**If Buyer fails to respond** within the time stated in Paragraph 13(C) **or fails to terminate** this Agreement by written notice to Seller within that time, **Buyer will accept the Property** and agree to the RELEASE in Paragraph 28 of this Agreement.

#### 14. TITLES, SURVEYS AND COSTS (6-20)

(A) Within \_\_\_\_\_ days (7 if not specified) from the Execution Date of this Agreement, Buyer will order from a reputable title company for delivery to Seller a comprehensive title report on the Property. Upon receipt, Buyer will deliver a free copy of the title report to Seller.

(B) Buyer is encouraged to obtain an owner's title insurance policy to protect Buyer. An owner's title insurance policy is different from a lender's title insurance policy, which will not protect Buyer from claims and attacks on the title. Owner's title insurance policies come in standard and enhanced versions; **Buyer should consult with a title insurance agent about Buyer's options.** Buyer agrees to release and discharge any and all claims and losses against Broker for Buyer should Buyer neglect to obtain an owner's title insurance policy.

(C) Buyer will pay for the following: (1) Title search, title insurance and/or mechanics' lien insurance, or any fee for cancellation; (2) Flood insurance, fire insurance, hazard insurance, mine subsidence insurance, or any fee for cancellation; (3) Appraisal fees and charges paid in advance to mortgage lender; (4) Buyer's customary settlement costs and accruals.

(D) Any survey or surveys required by the title insurance company or the abstracting company for preparing an adequate legal description of the Property (or the correction thereof) will be obtained and paid for by Seller. Any survey or surveys desired by Buyer or required by the mortgage lender will be obtained and paid for by Buyer.

(E) The Property will be conveyed with good and marketable title that is insurable by a reputable title insurance company at the regular rates, free and clear of all liens, encumbrances, and easements, **excepting however** the following: existing deed restrictions; historic preservation restrictions or ordinances; building restrictions; ordinances; easements of roads; easements visible upon the ground; easements of record; and privileges or rights of public service companies, if any.

(F) If a change in Seller's financial status affects Seller's ability to convey title to the Property on or before the Settlement Date, or any extension thereof, Seller shall promptly notify Buyer in writing. A change in financial status includes, but is not limited to, Seller filing bankruptcy; filing of a foreclosure lawsuit against the Property; entry of a monetary judgment against Seller; notice of public tax sale affecting the Property; and Seller learning that the sale price of the Property is no longer sufficient to satisfy all liens and encumbrances against the Property.

(G) If Seller is unable to give good and marketable title that is insurable by a reputable title insurance company at the regular rates, as specified in Paragraph 14(E), Buyer may terminate this Agreement by written notice to Seller, with all deposit monies returned to Buyer according to the terms of Paragraph 26 of this Agreement, or take such title as Seller can convey. If the title condition precludes Seller from conveying title, Buyer's sole remedy shall be to terminate this Agreement. Upon termination, all deposit monies shall be returned to Buyer according to the terms of Paragraph 26 of this Agreement and Seller will reimburse Buyer for any costs incurred by Buyer for any inspections or certifications obtained according to the terms of this Agreement, and for those items specified in Paragraph 14(C) items (1), (2), (3) and in Paragraph 14(D).

(H) Oil, gas, mineral, or other rights of this Property may have been previously conveyed or leased, and Sellers make no representation about the status of those rights unless indicated elsewhere in this Agreement.

**Oil, Gas and Mineral Rights Addendum (PAR Form OGM) is attached to and made part of this Agreement.**
